

Domino Bowling

Set up 10 dominoes on the Xs. Set the rubber ball on the line at the bottom of the page. You each have 2 turns to roll the ball and knock down the dominoes.

20 points for knocking down all the dominoes the first time

10 points for using 2 tries to knock them all down

5 points if some are knocked down after two tries

No points if none are knocked down.

Play for 2-4 rounds, adding up points. The highest total score wins.
